Dear Ms. Peterson;

In regards to the revocation of my insurance license, I do hereby request a telephone hearing as it relates to the matter involving Gary Jilk. I have documents that will display my actions on this policy and one other policy that Mr. Jilk did not disclose.

Mr. Jilk has not disclosed all of the documentation for these files. I have done nothing wrong, and the documents I have will reflect this.

I have been very ill, and have just been released from the hospital again. I am now able to respond to you.

Please contact me via phone @ 360-568-2613 for a telephone hearing.

Sincerely yours;

John S. Claffey
